PROFESSIONAL POSITIONS

Argosy University, Associate Professor, Clinical Psychology Psy D. Program

Fall 2005 to Present Promoted to Associate Professor in June 2008.

Duties: Teaching of core required classes and some advanced electives. Courses include **Child and Adolescent Development, Child and Adolescent Psychopathology, Child Therapy, Advanced Play Therapy, Adolescent Psychotherapy, Issues in the**

Treatment of Diverse Populations, Psychotherapy Seminar, and

Professionalization Group. Serve as Chair to Clinical Research Projects for students in the Clinical Psy. D. program. Chair of Therapy Seminar Committee. Former Chair of Diversity Committee. Member of Student Professional Development Committee and Campus Appeals Committee. Academic advisement to new and continuing students. Consultation with supervisors and training sites for students completing their psychotherapy practicum requirement. Coordinator of Child and Adolescent Concentration. Serve also as a clinical supervisor to students in practicum at campus based clinic.

Private Practice. 2003 to present

Duties: Provision of individual and family psychotherapy. Management of private practice. Population served is ethnically diverse and self-referred for treatment. Specialty practiced is psychotherapy with children, adolescents, and their families. Provide individual adult out-patient psychotherapy on a limited basis. Perform psychodiagnostic testing for children and adolescents. Consultation services also provided to individuals and organizations. Provision of supervision and consultation to clinicians.

Training Faculty, University of California San Diego Extension Play Therapy Certificate Program. 2005 to Present

Duties: Provide all day workshops in Play Therapy for Children with Attachment Disorders in the Play Therapy Certificate Program at UCSD extension. Responsible for proposal and all materials produced for the workshop. These classes are CEU courses for psychologists, social workers, marriage and family therapists, and school counselors. Courses are also approved by the Association for Play Therapy for continuing education credit.

Argosy University, Adjunct Faculty, Fall 2004 to Spring 2005.

Duties: Professor for two new courses, Child and Adolescent Psychopathology, and Child and Adolescent Psychotherapy. Responsible for development of these courses and the creation of their syllabi.

Program Coordinator, Western Youth Services. 2003 to 2005.

Duties: Provision of clinical supervision. Management of clinic referrals and case assignments. Facilitation of student intern training program. Supervision and coordination of psychological testing. Facilitate documentation supervisory review process. Program development and oversight.

Clinical Psychologist, Western Youth Services. 2000 to present

Duties: Provide psychological testing, individual, collateral, play, group, and family therapy. Population served includes children ranging in age from 0-21 and their families. Clients are those receiving Medi-Cal and AB 3632/Chapter 26.5 services. Clients are predominantly low income and ethnic minority. Provide case management services to clients including but not limited to coordination of care with schools, social workers, physicians, and other treatment providers. Coordinate staff in-service training program which includes provision of some training to staff in addition to other administrative duties. Provide clinical supervision and training for PsyD Practicum students from a local university.

Case Manager, Olive Crest Treatment Centers 1999 to 2000

Duties: Provided individual, group, and family therapy to residents in a community group

home. Supervise a staff of six child care workers. Trained incoming child care workers for the entire agency. Provided case management services including but not limited to interacting with each client's social worker, school, CASA, and mentor. Coordinated and participated in the reception of services designed to prepare emancipating youth for independent living.

Psychology Intern, Glen Roberts Child Study Center. 1998 to 1999

Duties: Conducted intake evaluations which included an interview and a small battery of tests. Conducted individual, family, and collateral therapy with children, adolescents, and their families. Completed full batteries and additional testing. Cofacilitated twelve week parenting class. Cofacilitated latency age boys group. Gave case presentations. Populations served were predominantly low income and ethnically diverse.

Psychology Intern, South Central Training Consortium. 1997 to 1998.

Duties: Conducted intakes, both in person and over the phone. Conducted individual, marital, family, and play therapy with predominantly low income, ethnically diverse clients. Provided individual therapy at a residential inpatient facility (WATT'S Health Foundation, Women and Children's Center) for women with substance abuse problems. Conducted grief and loss groups and workshops. Administrative duties also included program and form development.

Psychology Intern, Shields for Families, Genesis Program. 1998

Duties: Facilitated family therapy groups with women in a substance abuse day treatment program in South Central Los Angeles. Administrative duties included charting.

Psychology Practicum Student, Santa Anita Family Service. 1996-1997

Duties: Conducted regular intakes, domestic violence intakes, and substance abuse intakes. Conducted individual, marital, family, and play therapy with clients. Administered an assessment battery. Co-facilitated a mixed play therapy group for young children ages 5-7, a care givers support group, and a substance abuse group.

Child Care Worker, Florence Crittenton Services, Inc. 1996

Duties: Supervised adolescent girls in a residential facility. Engaged in group work with the adolescents, modeled parenting skills with their children, helped teach daily living skills, and participated in recreation activities.

Coordinator of Community Education, National Center for Missing and Exploited Children/California Branch (formerly known as the Adam Walsh Center). 1992 to 1996

Duties: Coordinated a child abuse and abduction prevention program with children ages 3-18, parents, and school staff. Engaged in public speaking, volunteer coordination and training, grant writing, and program development.

Legislative Advocate, National Center for Missing and Exploited Children/California Branch. 1993 to 1996

Duties: Tracked legislation related to children's issues. Actively advocated for or against legislation pertaining to children's welfare. Advocacy included letter writing to legislators and other advocacy groups. Networked with legislators and other children's and/or victim's agencies on legislative issues. Served as a co-chair for a legislative advocacy

committee.

Intern, Victim/Witness Community Service Program of Orange County. Fall 1993

Duties: Developed a working knowledge of the restitution system and Victims of Crime Compensation application process. Provided court support to victims and their families, assisted in witness coordination, and read police reports for the facilitation of the collection of restitution payments.

Behavior Modification Therapist, University of California Los Angeles Neuropsychiatric Institute. 1990 to 1992

Duties: Provided behavior modification and language training with a four year old boy with autism. Helped train other therapists and assisted in the development and implementation of the treatment program.

Student Intern, Fairview State Hospital, Metropolitan State Hospital, Starting Point of Santa Ana, and Health Care Medical Center of Tustin. Part of Licensed Psychiatric Technology

Training Program at Golden West College. 1990 to 1991

Duties: Provided basic client care, administered medication, treatment planning, and chart writing. Also attended to clients who were engaged in activities outside of the hospital, including accompanying them to school. Participated in client therapy groups and helped supervise recreation activities.

VOLUNTEER and PROFESSIONAL LEADERSHIP POSITIONS

California Branch of the Association for Play Therapy: 2010 Branch President

Duties: Oversight of professional organization promoting play therapy to the child mental health community. Provided oversight for the provision of continuing education workshops and conferences. Responsible for management of website, board meetings, newsletters, and other email communication with professionals in the state of California. Maintain overall responsibility for running of the organization.

California Branch of the Association for Play Therapy. 2009 President-Elect

Duties: CEU oversight and approval for all training conducted in the state of California. Act as branch liaison for the seven local chapters within the state. Conduct and attend regional meetings in northern and southern California for the purpose of chapter support.

Orange County Chapter, Association for Play Therapy. 2008 Chapter President

Duties: 2007 Served as President Elect. Facilitate annual training sponsored by the association. Maintain training calendar. Conduct meetings and local trainings. Recruitment of officers. Manage chapter records.

Project Together-Orange County Mental Health. 1993 to 1999

Duties: Volunteer. Spent time with a twelve year old boy with a variety of mental health issues for six years. Engaged in regular supervision with the child's therapist and attended monthly volunteer meetings/trainings.

Legislative Advocacy Committee, Orange County Child Abuse Prevention Council. 1994-

1995

Duties: Co-chair of committee. Reviewed upcoming legislation related to child abuse and neglect. Facilitated the development of legislative advocates in agencies across Orange County.
