

WHEN DINOSAURS DIE
BY LAURIE KRASNY BROWN
AND MARC BROWN

WHEN I FIRST SAW THIS BOOK I WAS ATTRACTED TO THE COLORFUL ATTRACTIVE DINOSAUR FIGURES THAT SHARE A WIDE VARIETY OF THOUGHTS AND FEELINGS ABOUT THE TOPIC OF DEATH. THIS DELIGHTFUL HELPFUL BOOK COVERS MANY ASPECTS OF THE CHILD'S GRIEVING PROCESS IN A VERY CHILD-FRIENDLY MANNER. TOPICS INCLUDE...

WHAT DOES "ALIVE" MEAN?
WHY DOES SOMEONE DIE?
WHAT DOES "DEAD" MEAN?
FEELINGS ABOUT DEATH
SAYING GOODBYE
KEEPING CUSTOMS
WHAT COMES AFTER DEATH?
WAYS TO REMEMBER

I HAVE ABOUT FIFTY BOOKS ON THIS SUBJECT AND THIS IS OFTEN THE ONE THAT CHILDREN SEEM TO PREFER. I'VE SEEN THEM GO BACK TO IT MANY TIMES. ALSO WHEN I ASK AUDIENCES OF PLAY THERAPISTS ABOUT THEIR FAVORITE BOOK ON DEATH FOR CHILDREN, THE ANSWER IS ALMOST ALWAYS WHEN DINOSAUR'S DIE.
